

In the paper by P. Gütllich, J.-M. Lehn et al. published in *Chem. Eur. J.* **2003**, *9*, 4422, there was an error. The order of the ligands **A–H** shown in Scheme 1 was not correct and should be changed as shown below. The numbering of complexes **1–8** is correct.

Scheme 1. Ligands **A–H** and [2 × 2] grid complexes **1–8**.
